

## Room Rental

A client meeting, training session or team off-site where you're needing a professional, comfortable space to use?

The Icehouse Coworking Space meeting and training rooms range from four-person meeting rooms to AV-integrated board rooms, and training spaces.

## ABOUT US

Situated in the heart of Auckland's lower Parnell innovation precinct, based in the Textile Centre, The Icehouse Coworking space was established in 2014, unveiling a refurbished and extended new look in 2021.

The coworking community is made up of a well-established network of business owners, leaders, start-ups, experts, innovators and creatives.

125 Saint Georges Bay Road, Parnell  
Auckland 1052

Spacious accommodation, high ceilings and natural light are in-keeping with the historic warehouse origins of The Textile Centre in Parnell. The space balances nods to its history with a contemporary and functional vibe residents expect from a modern shared-space.

# ROOM RENTAL

We have eight meeting rooms available for hire, Monday to Friday between 8am - 5pm. We also offer a 40 Person Theatre-Style Space.

All costs include wi-fi and the use of kitchen facilities for tea, coffee, and filtered water.

Although no catering is provided by us, we can provide a list of local cafes and caterers for you to arrange this prior to your meeting. On the day, please let us know that food will be arriving so that we can put it aside for you.

If you would like to come in and view the rooms or ask about availability, please contact us.
